She is very interactive and everyone from kids to the grandparents and everyone in between will love her personality.

How do you make sure the hosts are enjoying the performance? I check with the clients several times throughout the night to make sure they are happy with everything from the music volume to the songs I'm playing, and the flow of the evening.

What type of personality do you have? I am a very outgoing DJ. I adapt easily to any type of crowd, with a bubbly attitude, and a sparkling personality.

Why do you enjoy working at Complete Music? I love Complete Music because every event I perform is different. I love to meet new people and make sure everyone has a great time. The rest of our DJ staff is wonderful, and our management team isn't bad either!

Why do you enjoy performing at weddings? I love seeing people having such a great time. It really makes me feel good that I had a part in their special day. I really try to "Make their Day!"

Erin was a lot of fun, and great at interacting at interacting with our guests. We hope she enjoyed herself as much as we enjoyed her! Thanks for making our day so special- Misty & Ryan Pfeiffer-Brook Lodge

Erin was excellent. She was far better than any other DJs we have seen. She rolled with all the immediate changes we made, which was extremely helpful. She did an excellent job of keeping guests dancing and involved. I have had numerous compliments on Complete Music and Jamie. _Jennifer Sosa—Holiday Inn Select
