

# Complete Music's DJ Profile

## WILL FORSYTHE

I currently live in the Grand Rapids area with my wife and two kids. Having already gone through the whole marriage experience, it gives me a great perspective on not only how important your reception is to you but also how much fun you are ready to have! I love meeting new people and I absolutely have a blast getting out on the dance floor with your guests and leading dances! My only goal is that everyone has a great time and you leave your reception with nothing but happy memories!

### How do you make sure the hosts are enjoying the performance?

It starts with a call to my client. I make sure I get all the important information as well as all the little details. I always make sure my equipment is set up early to ensure that everything is working at it's best. Then I make sure to check in again with my clients when they arrive just to make sure nothing has changed. Lastly, I make sure to check in with my clients throughout the evening to ensure I am providing a perfect night to start their new life together.

### What type of personality do you have?

I am big guy that loves to have fun, so I would say that I am a very outgoing people person!

### Why do you enjoy working at Complete Music?

I love being around people and listening to music! Therefore, this is not work to me at all, it's just straight up fun!

### Why do you enjoy performing at weddings?

Seeing two people unite their lives together is exciting and for me to be a part of that is an honor.

### What makes you a unique DJ?

I am fun! I love people and music. I want your night to be perfect and I feel I am the best DJ for that.
