Mickey is a very fun well- rounded DJ. Mickey loves to play guests requests and get the crowd involved by playing what they want to hear. Mickey is very professional and articulate. He will coordinate all aspects of your party from pouring champaign at the head table to making sure your photographer knows the father daughter dance is coming up next. You won't have to worry about any details as Mickey will walk you through everything and make your night perfect.

How do you make sure the hosts are enjoying the performance? By periodically checking in with the hosts and suggesting dances or ideas in order to keep the momentum of the party rolling non-stop.

What type of personality do you have? I Love to laugh! If the occasion calls for a joke, I'm one of the first to offer. I am usually the life of the party... Its my job.

Why do you enjoy working at Complete Music? I enjoy working for Complete Music because I love the look on peoples faces when they experience some unexpected aspect of an event. I really try to WOW people, and I really enjoy people telling me how much fun they had, and how they danced more than any other event they've ever attended.

Why do you enjoy performing at weddings? I have a talent for FUN! I enjoy sharing that with my clients and ALLL their guests.

What makes you a unique DJ? What makes me unique is my Circle Salute at the end of the night. I get everyone together one last time and mix in a bit of adoration, some sincerity and a whole lot of humor. It's a lot of fun and a great way to end a perfect night.

Customer Comments

Complete Music is way better than any other DJs we've ever seen. Mickey was unbelievable! - Jen Cumisky—Eagle Eye

No other DJ can do what Mickey did for my wife and I on our wedding day. I'd love to have Mickey DJ our next event. Mickey came early and helped set up for the wedding, he played a great variety of music, everything from rock to dance and he checked with us from the ceremony through the end of the night to make sure we were happy. I will recommend Mickey and Complete Music to everyone! - Chris Gagliand—Elm Pointe

Mickey went above and beyond to help our wedding party. He is wonderful.—A&B Harris—Eagle Eye

Mickey really gave us all that we asked for and more. Everything went smooth. It was very fun and we could relax knowing he was in control. We are so happy. Personally he was the perfect fit for us and our crowd. Rachel & Michael Beckley—Holiday Inn West
