

# Complete Music's DJ Profile

## SCOTT VERSEPUT

Scott is a great DJ who's been with Complete Music for awhile. His favorite events to DJ are weddings. "My goals mirror that of Complete Music, in that I want to make your event stress-free for you and your guests," Scott explains. He is easy going and flexible, so he can work with your plans even if there are last minute changes or requests. "I would like to stress to everyone that this is not MY reception or party, I work for YOU and I will do whatever I can to make your night memorable."

**How do you make sure the hosts are enjoying the performance?** I speak with, not just the host/hostess, but also with their guests. I will speak with everyone during the evening even the wait staff. Everyone has fun at the events I DJ.

**What type of personality do you have?** I aim to be upbeat, but not obnoxious. I am able to have a great time while remaining professional at all times.

**Why do you enjoy working at Complete Music?** I enjoy music, and I love to entertain people.

**Why do you enjoy performing at weddings?** I take pride in the fact that I can be a part of someone's special day, even if I don't know them. However, by the end of the night I feel like they are part of my family.

**What makes you a unique DJ?** My sense of humor and my ability to relate to others is my biggest asset. The next most important traits that makes me unique are my ability to mix music and the ability to make the evening flow.

*Scott, I just wanted to thank you again, so much, for everything! Everything was wonderful.*

*Scott was a spectacular DJ. He catered to our needs and even encouraged my best friends to make a toast. We couldn't have been happier or had more fun. Everyone loved him. We have seen other horrible DJs, and Scott was the best DJ I've seen. Thank you.*
